Foreword

As we, the members of the Class of 1959 prepare to set out on the sea of life, this yearbook will serve as the log of our voyage through high school. Although at times we encountered rough seas, our voyage was a pleasant one and we will cherish our memories of it always.

We wish to express our gratitude toward all those who helped make it possible for us to publish this log of memories, our 1959 yearbook.

Dedication

We, the Class of 1959, wish to express our gratitude toward you for your ever pleasant personality; your guidance and assistance in our art courses even in elementary school; your generosity and valuable help in planning and decorating for our class functions, especially dances; and your genuine interest and friendliness toward each of us by dedicating the 1959 Lanconian to you—

Mrs. Dorothy Shaffer

ADMINISTRATION-FACULTY

To The Class of 1959:

Graduation is a good time to take an inventory of past accomplishments and to lay plans for the future. Ask yourself what you have given to your home, school and community in these first eighteen years of your life and what they have given to you. Have you given as much as you ought to have given in service? Have you gained as much as you should have gained in personal and educational development?

After this review of the past, look ahead to the future. What are your goals in life? Are they as high as they ought to be? Will the world, or your particular section of it, be a better place thirty years from now because you have lived in it?

Congratulations on having successfully completed this stage of your life. Have faith! Look ahead! Aim high!

ROBERT W. COPE

Mrs. Kathryn Wismer, Secretary to the Supervising Principal.

Mrs. Louis Hufnagle, Secretary to the Supervising Principal.

To the Class of 1959:

The Boy Scouts of America have as their motto "Be Prepared." I can think of no better advice to the graduating class of 1959 than the scout motto. Whether your plans include a trade, the service, college, business or any other pursuit, good preparation is essential to success.

These are troubled times and a lot will be expected from your generation. The eyes of the world are focused on the United States. Therefore, it is imperative that you pursue your daily tasks with diligence, that you are honest and straight forward in your dealings with your fellow man, that you practice being good citizens in your communities, that you

are sympathetic with those less fortunate than yourselves and that you keep an abiding faith in God.

If we as a people adhere to these ideals, then our nation will "Be Prepared" to meet any crisis that may occur from within or without. There will be no doubt as to our physical and moral strength. We will not be rendering merely lip service to democracy but we will be setting an example for the rest of the world to follow. Our country is as strong as the individual people in it. You are some of these individuals.

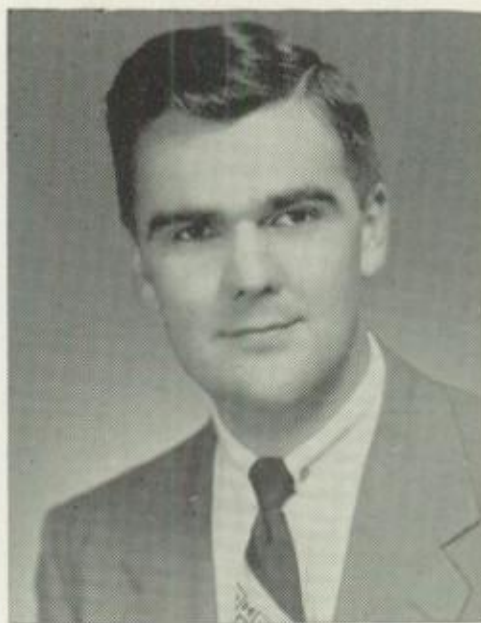

The future holds great promise for you. "Be Prepared" to accept and take advantage of it. Good luck!

Mrs. Harold Schuchert, Secretary to the High School Principal.

Class Log

In 1955 we set out on our voyage by electing the captain and officers of our crew. Out of sixty shipmates, we elected Walter Josephson as president, Eugene Redcay as vice-president, Anne Golden as secretary, and Donna Wile as treasurer. Our able advisers were Miss Goldfield and Mr. Hader. Our activities included going roller skating and holding several class parties.

As we entered our sophomore year, seven of our shipmates had already plunged into the sea of life.

As our class officers, we elected Richard Schlick, president; Henry Shontz, vice-president; Phillip Trumbauer, secretary; and Raymond Spatz, treasurer. Our advisers were Mr. Resetar and Mr. Eurich. In December we held our first class dance, entitled "Snowbound." Spring came, and with it our class rings which we still proudly wear. We climaxed this eventful year with a class party.

At the beginning of our junior year, with Mrs. Frost and Mr. Carfagno as our advisers, we elected

our class officers—president, Richard Schlick; vice-president, Eugene Redcay; secretary, Anne Golden; treasurer, Raymond Spatz. As sea-worthy sailors we sponsored two very successful dances, "Destination Moon" and "Shamrock 'n Roll." In the spring we presented our junior assembly entitled "A Class Reunion 25 Years after Graduation," which was a "smash hit." May blew in and with it three days of freedom from the seniors as we went all out to celebrate "Junior Day." Months of hard work and

preparation went into the presentation of "Paris by Starlight," at which we entertained our sister ship, the Senior Class. Class co-operation and elaborate decorations made the Junior-Senior Prom a night to remember for all who attended. At class night exercises we presented the seniors a garland of roses. Also at this time, Robert McCahan, president of the Senior Class, presented the "Key of Education" to our president, Richard Schlick. We concluded a very exciting year with several swimming parties

which were thoroughly enjoyed by all.

As we approached the end of our journey under the leadership of Miss Carbaugh and Mr. Carfagno, we elected Richard Schlick as our president, Robert Gaugler as vice-president, Elizabeth Larson as our secretary, and Raymond Spatz as our treasurer. As we realized that our cruise was nearing its end, we sponsored two successful dances, "Make Believe" and "Memories." In order to raise money for our trip to Washington, D. C., in May, we undertook various projects including the sale of Christmas cards and

candy, Easter candy, and we sponsored a bake sale. In interclass basketball competition, we claimed both the boys' and girls' championship titles. In April we showed our theatrical ability by presenting our senior play entitled "Junior Miss." Our next project was our senior farewell assembly which was enjoyed by the whole student body. Climaxing our cruise were the class night, baccalaureate, and commencement exercises.

We hope this log will provide memories to be long cherished by members of the Class of 1959.

Next Year's Seniors

Striving toward our senior year, we, the Class of 1960, have held two dances, an assembly program, and, of course, sponsored the highlight of our year, the Junior Prom.

Our first dance, entitled "Paradise of the Deep," was held in January and was a huge success. The underwater theme provided an enchanting atmosphere and certainly added a big feather in the hats of all the juniors. Our next dance was held in April

and provided a lovely entrance for spring.

For our assembly we presented a play, entitled "School Daze," in which the juniors portrayed a senior chemistry class. A Southern theme was planned for the Prom which was held on May 16.

We, the members of this class, extend our best regards to the seniors and our sincere wishes for a prosperous future.

Ten Down, Two to Go

The Class of 1961 had a very busy and fun-filled sophomore year. A dancing class was organized to teach our classmates to dance. It met twice weekly during gym periods for four weeks. The effort showed rewarding results at our dance held December 6, 1958. This was entitled "Christmas Fantasy" and was decorated in colors of light blue and white.

We also introduced a "Sophomore Day," which was celebrated on the 10th of each month. All class

members proudly displayed our colors of pink and black. Much to our surprise and delight our class rings arrived early on "Sophomore Day" in December, adding to the festivity.

Sportswise our girls finished as runners-up in the senior high interclass basketball tournament.

Our best wishes for success are extended to the members of the Class of '59.

The Heart Beat of Athletics

This year our Athletic Association, under the supervision of Mr. Hader, sold student season tickets for sport events, sponsored the annual magazine drive, and held a successful dance in February. The funds from these functions were used to improve our sports program.

Schwenksville's Best

The sports-minded young men of the school comprise the Varsity Club. The club is active in all sports programs, and its members can be found on almost all inter-scholastic teams. The adviser, familiar to anyone who has ever attended a football game, is Mr. Resetar.

Standing: Mr. Resetar. Left to Right: J. Hayes, J. Preston, R. Schlick, R. Reed, R. Musselman, R. Aiman, E. Redcay, E. Creter, D. Freier, R. Young, W. Kraemer.

Future Officials

The Leaders Club, supervised by Mrs. Fulmer, prepares students to become rated officials for all sports events. During the school year they give valuable help with the timing, scoring, and officiating of interclass games.

Wrenches, Ho!

The Automotive Club is supervised by Mr. Hagman. It is organized so that members can learn more about automobile mechanics. They compare different types of engines and discuss what to look for when buying a car. Also, from time to time, movies are shown on related subjects.

First Row: B. Morgan, R. Smith, M. Singleton, R. Abruzzese, S. Kline, K. Lick, G. Greebe, L. Summers, J. Bossert, C. Fry. Second Row: R. Walters, A. Rowland, T. Bell, E. George, D. Yerk, J. O'Neil, J. Meyers, C. Whitman, R. Aiman, G. Ziegler.

Say "Cheese"

The purpose of the Photography Club, under the leadership of Mr. Steitz, is to teach students the basic principles of snapping, developing, and printing pictures. They are given an opportunity to familiarize themselves with the movie and slide projector, and the tape recorder.

Hollywood is Their Goal

Miss Cronin directs this year's Senior High Dramatics Club. The members planned two plays this year which they presented in assembly programs.

Seated: D. Fisher, M. Townsend, P. Miller, E. Sommers. *Standing:* D. Boohar, K. Nace, L. Brower, S. Hader, J. Gebler, I. Shaw.

Knights of the Lab Table

This year the Knights of Science Club, under the supervision of Mr. Hader, has joined with other schools across the country in the National Knights of Science Club.

The juniors and seniors find more time to do their experiments and work on term projects. The younger members learn how to do simple experiments which help lay the foundation for higher science.

The Nucleus of School Spirit

The Pep Club is a new organization this year. Its purpose is to promote better school spirit and more enthusiasm at the pep rallies and games. Supervised by Mr. Kroninger, the club members have been making posters to encourage more attendance at games and making basketball schedules that are placed in the community stores.

May Day

This was the seventh annual May Day celebration at Schwenksville High School.

The proceedings of the afternoon began with the arrival of the May Queen and her court. After the entire court was assembled, the Queen was crowned by last year's monarch, Doris Little Grater.

Our Big Night

The night of May 17, 1958, climaxed many months of hard work and anxiety for the Class of '59. This was our Junior Prom.

The decorations, including a cafe, "Cafe de Paris," french lampposts and signs, a flower cart artistically filled with flowers, and a lighted castle, which attained a height of six feet, opposite the entrance to the gym, carried out our Parisian theme, "Paris by Starlight."

The band was placed on a beautifully decorated platform in the back of the gym so we could decorate the stage as an outdoor French cafe.

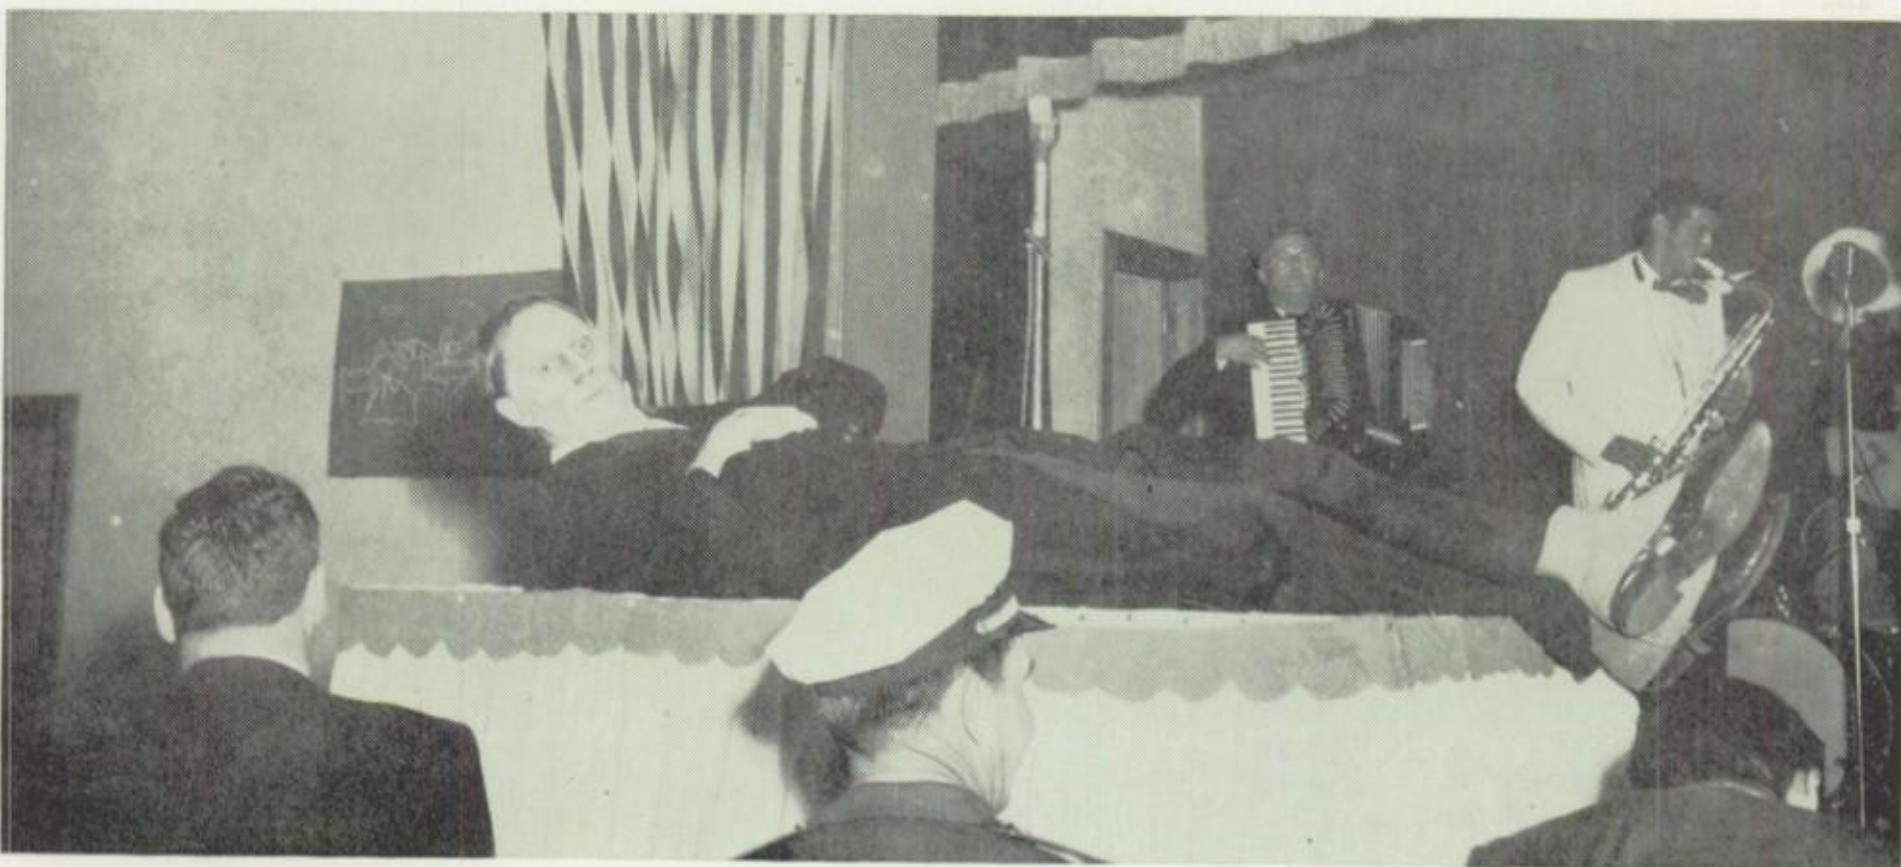

The dreamy music of the Hi-Lites set us all dancing from 8:30 p.m. till 12:00 midnight. The highlight of the prom was the crowning of Janis Reigel as Prom Queen by our class President, Richard Schlick.

Junior Miss

Junior Miss, a three-act comedy, was staged on the evenings of April 17 and 18, 1959, under the direction of Miss Cronin.

The scene of our play was the living room of the Graves' home in Manhattan's upper sixties, just off Central Park.

Junior Miss is centered around Judy Graves, who is a tomboy type of girl; and Fuffy Adams, her bosom friend.

The plot works around the early teen-life of Judy and Fuffy, and their constant striving to do good deeds.

The play also reveals a romance instigated by Judy between Willis Reynolds and Ellen Curtis. Although J. B. Curtis, Ellen's father, did not approve of this romance at first, he later accepts Willis as a member of the family.

The last scene takes place the night of Judy's first date, with Haskell Cummings. Judy enters dressed in formal attire, a true *Junior Miss*.

King and Queen of Hearts

On February 14, 1959, the King and Queen of Hearts were crowned at the annual Valentine dance. Michael Hader, athletic director, crowned the King, Eugene Redcay, and the Queen, Anne Golden. The dance was entitled "Sweetheart Serenade."

A very picturesque setting was created for the evening in the familiar holiday colors. Red and white streamers decorated the ceiling and red paper hearts created additional atmosphere. The King and Queen

entered from the rear of the gymnasium and proceeded toward the stage. Upon ascending the stairs, they seated themselves in their thrones of honor and were crowned King and Queen of Hearts. After the crowning, the royal couple danced the traditional dance for their subjects. The King and Queen then reigned over the remainder of the dance from their thrones.

Gridiron Heroes

The record of one win, seven losses, and one tie compiled by the 1958-59 football team was very deceiving, since half of the games were decided by not more than four points. The boys played hard and displayed excellent sportsmanship, but lack of depth on the bench again hurt the football squad.

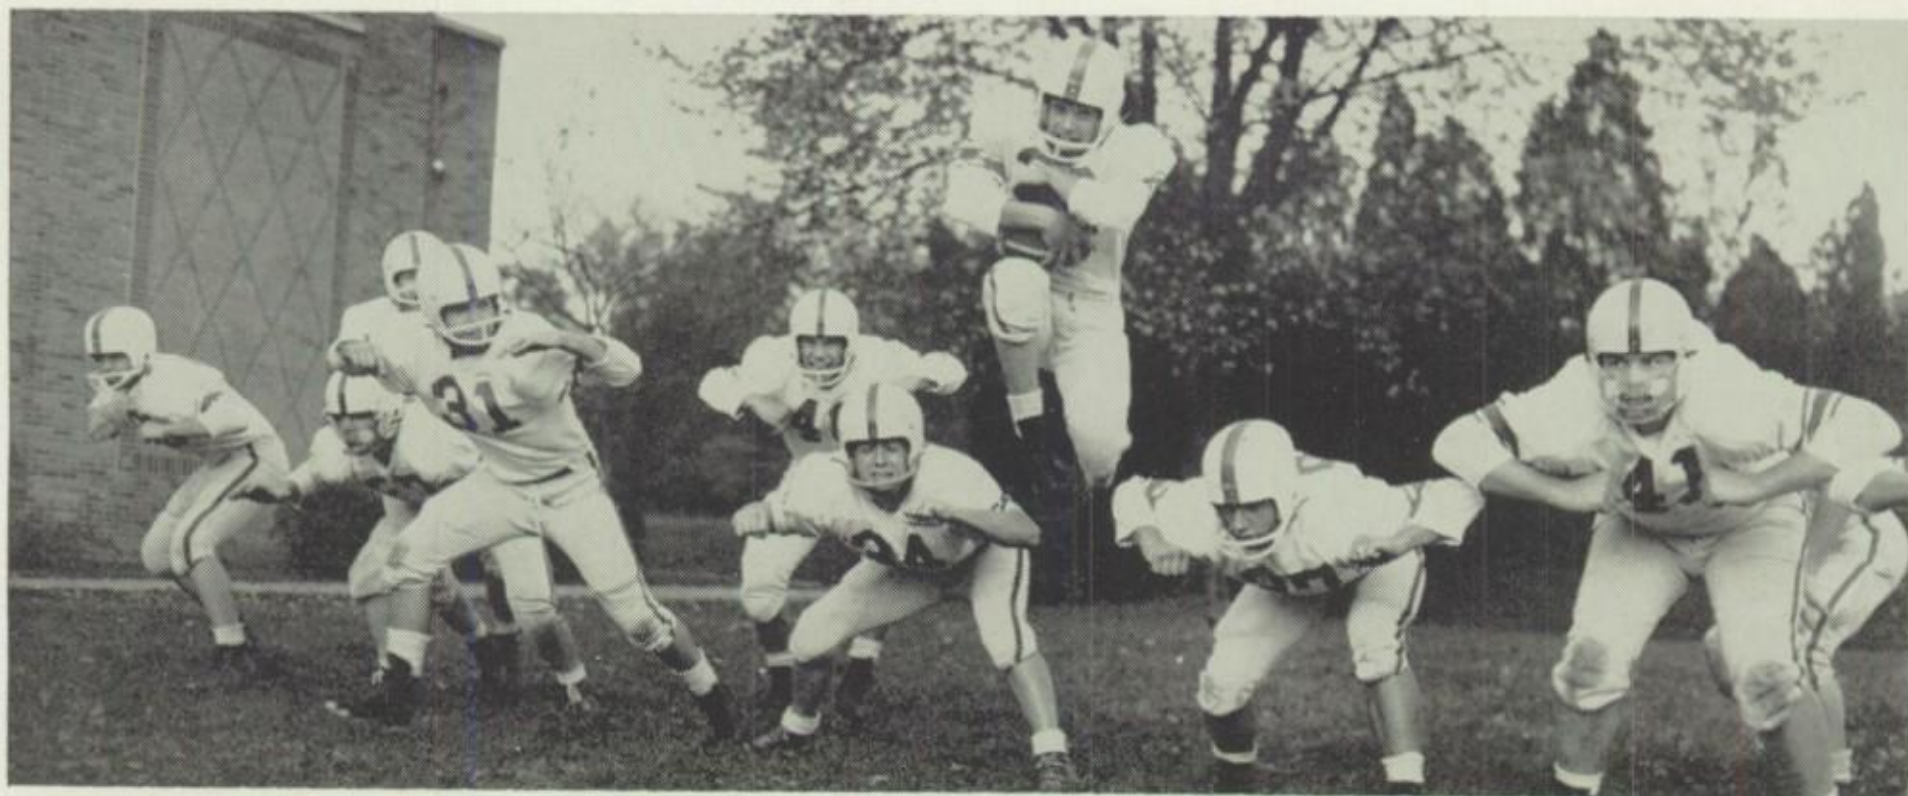

Our early win of the season came against previously undefeated Upper Dublin. A safety and a touchdown by Ed Creter proved the winning margin. Our tie game came on a rain-soaked field when Pottsgrove held the Schwenksville offense at the goal line.

The seniors leaving this year are Wayne Kraemer, "Ron" Young, "Don" Freier (capt.), "Joe" Hayes, "Rich" Reed, "Hank" Shontz, "Joe" Stewart, and "Jack" Preston.

A Goal

The girls' varsity field hockey had the best season they have had in three years. The highlights of the season were beating Collegeville-Trappe and Lower Moreland each by the score 5-0.

They scored 16 points in all which is an average of $2 \frac{4}{7}$ points per game. This average left them tied for fourth place at the close of the season. The high scorer for the year was Amy Golden. The team was under the able leadership of Mrs. Urban, and the co-captains were Luise Kraft and Anne Golden.

For the Blue and the White

The 1958-1959 basketball season was not too successful for our Varsity Bluebirds. The season total stood at three wins and thirteen losses. The team did its best, but they couldn't overcome the biggest handicap, height.

High scorer for the Bluebirds was "Bob" Gaugler with 207 points. Following him were "Ron" Young who tallied 165 points, Jan Waddel with 153, and "Ogar" Freier scored 111 points.

The Junior Varsity Bluebirds also had an unfortunate year finishing with a seasonal standing of two wins and twelve losses. Three of the defeats were, however, lost by the slim margin of two baskets, and the Bridgeport game in which an overtime was played was dropped by only two points.

Many of these fellows will be filling Varsity positions next year.

Shoot It Up

The varsity lady-birds had a very successful season despite the change in coaches during the season. They played two games under the leadership of Mrs. Urban and five games under Mrs. Fulmer.

They scored a total of 264 points for the entire season or an average of 37.7 points per game. Their opponents scored a total of 278 points or an average of 39.7 points per game. The high scorer of the season was Amy Golden with 111 points, followed by Anne Golden, who tallied 106 points. Their final league record was three wins and two losses, and they finished the season tied for second place.

Put-It-In!

The junior varsity lady-birds were equally as successful this year. Under the leadership of Mrs. Urban, followed by Mrs. Fulmer, they scored four victories out of five league games.

They tallied a total of 187 points for the season giving them an average of 31.1 points per game while their opponents scored 146 points with an average of 24.3 points per game. The high scorer of the season was Nancy Heacock with 43 points, followed by Alice Williams with 33 points.

We Make a Hit

Once again Schwenksville High's Bluebirds completed a rather successful season. They did this by winning three games out of a total of six. Leading the team in hitting were "Bob" Gaugler, followed by "Ron" Young and "Don" Freier.

Although the '58 season had only six games, this year's season has twelve, and Coach Hader is looking forward to a favorable league standing. Returning this year to the squad are "Bob" Gaugler, "Ron" Young, "Jack" McCahan, Wayne Kraemer, "Joe" Stewart, and "Don" Freier.
